WSEA Presents Johanne Fortier, LE, LI, CPE

This is what you have been waiting for!

Here is your opportunity to see and experience hands on from one of the National Training Director of Aesthetic Systems.

From one of the top Electrology School in the nation, Johanne is the Director of Education at the American Institute of Education. She continues to teach both working professionals and prospective professionals a like.

Course Objectives

- To develop a manual and digital dexterity, accuracy and good coordination while performing electroepilation.
- To obtain the appropriate angle of insertion while adopting a better position that allows easy access to the area.
- To learn pre-treatment, treatment and post-treatment.
- To discover different modalities and probe types to offer a more effective treatment.

You won't want to miss this seminar.

Space is limited so sign up early
WSEA Brochures and sign up sheets will be available in April.
